Report on the Internal Financial Control Over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit to the financial statements of the company as of and for the year ended March 31, 2016, we have audited the internal financial control over financial reporting of **CHASE INVESTMENTS LIMITED** ("the Company"), as of that date.

Management's Responsibility for Internal Financial Control Over Financial Reporting

Auditors' Responsibility

Our responsibility is to express an opinion on internal financial control over financial reporting.

We conducted our audit in accordance with the guidance note on Audit of internal financial control over financial reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial control. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control over financial reporting and their operating effectiveness. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial control over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to maintenance of records that, in reasonable details, accurately and fairly reflects the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles.
- (3) Provide reasonable assurance regarding prevention of timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Control over Financial Reporting

Because of Inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override the controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that degree of compliances with the policies and procedures may deteriorate.

Opinion

In our opinion to the best of our information and accordance to the explanations given to us, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial control over financial reporting were operating effectively as at March 31, 2016.
